Educational Support Opportunities

Medical education plays an important role in the quality of healthcare delivered across the globe. Physicians, researchers, scientists and other healthcare professionals are increasingly challenged to maintain their knowledge, skills and abilities within their respective professions. By providing an educational grant in support of the educational opportunities below, you will make a vital contribution to these efforts and support better patient outcomes.

All educational grants are managed in compliance with relevant CME accreditation criteria and industry compliance codes. In order to ensure independence of all CME accredited elements, companies providing grants may not influence the topic, speaker selection, or any other aspect of the content or presentation. No promotional, commercial, or advertising materials may be included in the following opportunities. All support will be disclosed to participants.

All grants are managed in compliance with relevant accreditation and industry compliance criteria.

EDUCATIONAL GRANT IN SUPPORT OF EXISTING SCIENTIFIC SESSION

Educational Grant in support of an Existing Official Session accepted or invited by the Scientific Committee and supported by a grant from the industry.

- Support will be acknowledged in the Industry Support and Exhibition section of the program guide, on the event website and application, and with signage during the event.

MOBILE APPLICATION

The Conference App engages attendees with personalized planning tools and real-time event updates. The App transforms smartphones, tablets and laptops into a tool for active meeting participation, making it easy for participants to access conference information they need and to connect with speakers and colleagues. The App includes the scientific programme, abstracts, speaker info, participant lists, rating/voting system for sessions/speakers and a personalized scheduler and is easily downloadable from the App Store and Google Play.

Conference App sponsorship support includes:

- Supporter acknowledgement on the splash/pop-up screen of the app: "Supported by: company name/logo" (product logo not permitted)

7th International Conference on **Nutrition & Growth** March 26-28, 2020 | London, United Kingdom

- Signage on site with App QR code and “Supported by: company name/logo” (product logo not permitted)
- 2 “push notifications” are included in the sponsorship package
- Priority listing in the list of conference exhibitors
- Support will be acknowledged in the Industry Support and Exhibition section of the programme, on the event website, and on signage during the event

WI-FI SUPPORT

Wireless Network Provision: Delegates wishing to access the internet via their own laptop/ smartphone may do so by using the Meeting Wi-Fi. Supporter of this piece of technology will receive strong visibility during the meeting.

- The company will be able to choose the Wi-Fi Password, which will be promoted in the industry sections of all official publications
- A splash page (if no company is supporting the app) or a carousel image in the app will acknowledge the company for its support of the Wi-Fi
- Support will be acknowledged in the Industry Support and Exhibition section of the program guide, on the event website and application, and with signage during the event.

CONFERENCE APP NOTIFICATIONS

- 1 “push notification” sent to all participants onsite (up to 140 characters)
- an effective tool to invite attendees to meet your company in your booth or attend your event!

7th International Conference on **Nutrition & Growth** March 26-28, 2020 | London, United Kingdom

ABSTRACTS ON USB THUMB DRIVE

The USB will contain all of the scientific abstracts. Each participant will receive an exchange voucher. The USB will be distributed to all participants from the Supporter's exhibition booth in exchange for a voucher.

- Exclusive advertisement on the back of the exchange voucher (optional)
- Support will be recognized in the Industry Support and Exhibition section of the programme, on the event website, and with signage during the event.

WEBCASTING

The ability to attend all conferences, or even all session at a given conference, is impossible for the busy medical professional. Webcasting provides a means of sharing knowledge and learning opportunities beyond the dates of the actual event and thus serves a vital educational need. Materials are saved locally, but at the same time, can be distributed over the web to viewers around the world via a robust cloud server. Viewers can access the broadcasts using PCs, tablets, or smartphones live (as streamed video) or later, as on-demand webcasts.

Kenes offers two types of webcasting options*:

- Video includes a video screen of the speaker during the session, PowerPoint slides (in sync with the speaker), and audio.
- Digital Imaging includes PowerPoint slides with audio.
- Support will be recognized on the home screen with "Supported by..." and a company logo only
- Support will be acknowledged in the Industry Support and Exhibition section of the program guide, on the event website and application, and with signage during the event.

*Webcasted sessions to be designated by the Conference Planning Group. Supporters will have no influence on content. NGC retains the copyright of all of the enduring materials in all media formats arising from the main meeting, including the use and distribution rights for webcasting of all conference accredited programming.

BLENDDED LEARNING

Funding support to the development of a blended learning programme. In order to improve physician competencies and ultimately improve patient care, we are offering blended learning opportunities. This interactive and well-received learning method combines face-to-face learning with online learning. Trainings and educational activities can be blended in many ways. Blended learning courses have proven to be a popular choice for learners

as it allows learners to take advantage of much of the flexibility and convenience of an online course while retaining the benefits of the face-to-face experience.

A blended learning programme includes:

- Online pre/post-test and/or online pre-/post e-learning course/ case-study linked to a Symposium/Educational Session* at the Conference for a face-to-face session.
- Support will be disclosed in the Industry Support section of the Conference website and Programme Guide.
- Support will be acknowledged within the online learning activity

**Needs to be requested separately as is not included in the cost above.*

ONLINE LEARNING PORTAL

By providing an educational grant towards an online educational portal, you are making a vital contribution to the efforts of the N&G to improve the quality of healthcare delivered across the globe. This educational grant will be used for discussing the interplay between nutrition and growth in children, from disease factors through to treatment.

- Support will be disclosed in the Industry Support section of the Conference website and Programme Guide.

Support will be disclosed in the Industry Support section of the online learning portal, and on the footer of the online learning portal.

Please note that it is the Exhibitors'/ Supporters' responsibility to comply with the local authority's regulations, EFPIA (European Federation of Pharmaceuticals Industries & Associations) www.efpia.org, Medtech Europe (represents Medical Technology industry) <http://www.medtecheurope.org/> and IFPMA (International Federation of Pharmaceutical Manufacturers & Associations) www.ifpma.org Code of Practice on the promotion of medicines.
